

**Performance:** Our premium dual band antennas feature heavy-duty design and excellent performance. Perfect for both voice and data transmission. These antennas are very wide in bandwidth.

**Stylish and durable:** These antennas are manufactured using the best corrosion-resistant materials and finishes available. The antenna is low profile, extremely rugged and ideal for commercial applications.

**Weatherproof:** O-ring seals and overlap construction keep moisture out of the antenna.

**Standard Mounting:** All base loaded antennas mate with the standard Motorola NMO type mount.
